ROTARY YOUTH EXCHANGE
Rotarian volunteers have helped build Rotary Youth Exchange into the world-renowned program that it is today. For over 75 years, students and host families have broadened their horizons through Rotary Youth Exchange. More than 80 countries and over 8,000 students each year participate in the program, which is administered at the regional level by Rotary districts and at the local level by Rotary clubs.

Rotary Foundation Thought for the Week

This week's **Rotary Foundation Thought** is about Volunteer Service Grants. Rotarian Dr. Charles Erickson traveled from Nebraska, USA to Zambia in order to provide medical care at an orphanage. Sponsored by Rotary clubs in both countries, Dr. Erickson performed hemoglobin determinations on 30 orphans. Nutritional counseling was provided to patients at the local clinic and at general health education sessions. During his month-long stay, Erickson initiated a malaria control program, battling the number one health problem in the area. Through mutual collaboration, the host and international sponsoring clubs have formed a solid partnership and hope to implement many more projects together in the future. How do I determine how much to give now? – *Every Rotarian, Every Year!*
